OUR SERVICES:

College List

We help students create a personalized college list that best fits their needs.

Financial Aid

We evaluate students' financial aid situation and provide options for aid.

Build Resume

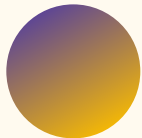

We evaluate students' chosen fields and create an action plan with a timeline to achieve the set goals.

Self-Discovery

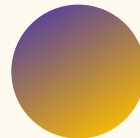

We evaluate students' personalities and skills to maximize their strengths in their applications.

Ideation

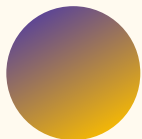

We help students brainstorm essay topics for each essay through numerous exercises.

Essay Editing

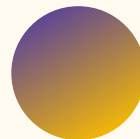

We help students convey their stories in their personal statements and supplemental essays.

Negotiations

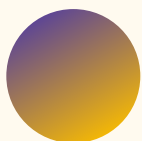

We help students appeal (in the case of waitlists) and negotiate financial aid.

Interview Prep

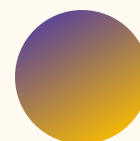

We conduct mock interviews and train students for college interviews.

Recommendation

We help students identify recommenders who can match their applications.

Career Counseling

We close student cases by doing final career counseling and providing a 4-year plan.
